WORK EXPERIENCE

● Radius Group Aug 2025-Present	Director of Videography I directed video production from initial concept through final delivery, leading the creative and technical process across pre-production, production, and post-production. I managed client projects, developed visual concepts, maintained high production standards, and delivered polished, high-quality content. I also supported business development through client relationships and new project acquisition.
● World Challenge, Inc 2023-2025	Sr Video Producer + Editor I filmed and edited long-form and short-form video content designed to increase awareness, strengthen audience engagement, and support fundraising campaigns. I produced campaign trailers, social media reels, and other digital content while shaping stories to fit a variety of platforms and audiences.
● Springs Church 2017-2023	Director of Video & Creative I led video and creative production across digital, live, and promotional content, overseeing projects from concept through final delivery. I developed visual concepts, directed shoots, edited video, managed creative standards, and supported the overall look and feel of the organization across video, graphics, and digital media.
● Springs Church 2014-2017	Associate Video Director I supported video production across weekly services, digital content, and promotional projects. I filmed and edited video, assisted with creative development, helped manage production needs, and contributed to photography and other visual media projects.
● Vheissu Creative 2014-2016	Project Manager I managed client relationships by being the primary point of contact, providing excellent customer care and knowledgeable suggestions to assist clients in bringing their creative needs to life. I resolved customer issues, prepared and delivered customer proposals in a timely fashion, and managed all social media accounts.
